

Privacy Policy

Introduction

Digital Management Systems (DMS) Technologies is a software service provider with over 20+ years of experience in the Middle East Market. DMS respects the importance of privacy with regards to the processing of personal data and wishes to note that it adheres to protect such information with responsibility and due care.

This policy defines how we collect, use, share and secure personal information of people who visit our website (dmstechme.com) or using our services.

Collection and use of personal information

We ensure that we collect minimum personal information for us to provide you with our services. When you register on our website, we primarily collect some personal information such as:

- Name
- Email Address
- Company Name
- Location

Other information that we collect are in standard nature such as your IP address, Language, access times, mouse interactions etc. Although we track user's session, the user could be anonymous. While you access our website, we may track your actions such as number of visits, downloads, search items etc. for the purpose of having a better understanding of the visitors.

Any questions or concerns regarding our Privacy Practices should be directed to us by email by using the email address provided in the "Contact Us" Section.

We collect this information in order to improve our website and other purposes such as sending newsletters. You can choose whether to receive this information or not.

Collecting information is entirely dependent on the service provided by the website and the manner in which the website is monetized.

It is to be noted that companies collect data in various ways and means. Also businesses collect data via devices such as smartphones, apps, smart speakers and emails.

Usually, the following information is sought by us from a visitor.

- Your Name
- Email Address
- Phone NO
- Job Title
- Company
- Country

We do not collect following information.

- Racial or ethnic Origin
- Religious Beliefs
- Banks and related financial information
- Genetic data
- Biometric Data
- Sexual Orientation
- Health related data

Sharing Personal Information

With regards to your personal information, we ensure that those will not be sold, traded or transferred to third parties. Only authorized employees of DMS are allowed to access this information we collect. However, we may release this information when we believe the release is appropriate and comply with the law.

Security

We confidently ensure that we have taken all reasonable measures to protect your personal information with confidentiality. Those security measures are to protect your information against loss, misuse or alteration.
